

We, the members of the Loudoun County Ministerial Union, send greetings and wish to felicitate the brethren and sisters of the Leesburg Presbyterian Church upon this their 130 th. anniversary. We are all happy and praise God for the unique place you have filled in the Vineyard of the Lord in your long period of outstanding service in the Kingdom of God in our county and throughout the world.

May the Lord our God lead you on during all the coming years and bless you in even a greater and richer way for the ~~farthering-~~ extension of His Kingdom on the earth.
